

"We don't just move goods - we move your business forward."

Overview

Shinnecock Logistics is a VA-verified Service-Disabled Veteran-Owned Small Business (SDVOSB) with more than 30 years of food products procurement, sales, transportation and general supply-chain experience. Based in our headquarters in Flagler Beach, FL - with an established national grower, shipper, and carrier network encompassing OTR, Rail and Ocean - we provide dependable, on-time freight movement for federal, state, and commercial customers across the United States. Our military roots drive a culture of integrity, discipline, and 24/7 responsiveness that contracting officers can trust.

Core Competencies

- **Freight Brokerage & Mode Selection** - Matching every shipment to the optimal carrier and equipment: dry van, refrigerated, flatbed, step-deck, or expedited.
- **Intermodal & Drayage** - Door-to-door coordination across road, rail, port, and air for lower cost and carbon footprint.
- **Deployment & Surge Support** - Rapid mobilization of capacity for DoD exercises, FEMA response, and critical supply missions.
- **Supply-Chain Visibility & Analytics** - API-enabled Transportation Management System (TMS) delivers real-time tracking, predictive ETAs, and data dashboards.

What Sets Us Apart

- ✓ Process: Data-driven, ISO-style workflows that eliminate waste and delays.
- ✓ Experience: Three decades of brokerage, trucking, and rail know-how.
- ✓ Relationships: 15,000+ FMCSA-compliant carrier partners and strategic rail & port alliances.

Differentiators

- **Set-Aside Advantage:** SDVOSB status helps agencies meet socio-economic goals while partnering with a proven logistics intermediary.
- **Reliable Performance:** Documented 99%+ on-time pickup and delivery across thousands of lanes, validated through our TMS.
- **Tech-Forward Brokerage:** Cloud-based BI and AI-driven load-matching optimize routes, reduce deadhead, and lower total landed cost.
- **Scalable Capacity:** Nationwide carrier network provides instant surge support without the fixed costs of an asset fleet.
- **Transparent Compliance & Pricing:** FMCSA Broker Authority, \$75K surety bond, and market-indexed rating ensure audit-ready records and competitive, stable rates.
- **Safety & Sustainability:** Proactive carrier vetting, ELD compliance monitoring, and fuel-efficient routing minimize risk and emissions.

Federal and State Certifications

- VA-Verified SDVOSB / VOSB
- USDOT & FMCSA Interstate Motor Carrier Authority
- State-level Veteran-Owned Business registrations (FL and others)
